You Say Tomato, I Say Shut Up!

A New Comedy About Love & Marriage

A 21st century love story where
"Happily Ever After" meets "It's Complicated"

From seductive young lovers to reluctant Facebook friends, Annabelle and Jeff have 10 years of marriage under their belts when they encounter the question all married couples face — "Where would we be without Pinot Noir?" In this 75-minute tour de force *You Say Tomato, I Say Shut Up!* takes a humorous look at a relationship that seemed doomed by opposing personalities from the start. After trials and tribulations they learn to navigate the conflicts that come with romance, money and children by embracing each other's differences, taking on parenting as a competitive sport and dropping out of couple's therapy. Their delightfully crazy lifestyle has managed to keep their relationship intact, upending every idea you ever had about living "happily ever after." PG-13 Contains adult content.
