Acting, Voice & Piano

2011-2012 Acting, Voice & Piano schedule

Enhance your skills!

ACTING

Our acting curriculum is structured to both encourage the most shy beginner and challenge the more experienced performer. Classes are built around the basics of acting and include instruction in movement, ensemble work, improvisation, characterization and how to approach scripted materials. Upon completion of the curriculum, young actors leave with a variety of tools enabling them to audition effectively, make powerful choices in rehearsal, contribute their gifts in an ensemble, relate to an audience and take risks on and off the stage.

VOICE

The CLO Academy Voice Program promotes self-confidence, musical skills and stage presence in students of all ages. Students will also benefit from professional instruction tailored to their individual needs with a focus on a wide variety of musical genres including Musical Theater, Classical, Jazz and Pop.

PIANO

Private Piano is also available and strongly suggested for those students wishing to major in Voice or Musical Theater in college.
