

Joey Fatone stars in this outrageous and hilarious Mel Brooks musical!

Treat yourself to one of Broadway's guiltiest pleasures! *The Producers*, an outrageous Tony® Award-winning Mel Brooks musical, will have you doubled over with laughter as down-on-his-luck producer Max Bialystock and his awkward accountant Leo Bloom sing and dance their way through the greatest show biz scam there ever was! Most dream of making it big on Broadway, but these two are setting their sights on a sure-fire flop!

Joey Fatone

"Dancing with the Stars" favorite, 'Nsync member and Broadway veteran **Joey Fatone** makes his CLO debut as Franz Liebkind – the quick tempered Nazi who penned the musical designed to fail! Pittsburgh native, former CLO Mini Star and Carnegie Mellon University alumnus **Jim Stanek** returns to Pittsburgh CLO as

Leo Bloom. Broadway's **John Treacy Egan** reprises his role as Leo's partner-in-crime Max Bialystock from the original Broadway production.

Catching Up with Joey Fatone

You've done music, tv, movies and Broadway. Which one do you enjoy the most and why?

I enjoy all aspects of entertainment and can't pick a specific one. Why? I love to tell stories and entertain people!

What interested you about the role of Franz Liebkin in *The Producers*?

I saw the show on Broadway and it was amazing! Franz is the best part cause you can have a lot of fun – the songs he sings are fun!

What do you sing when you're in the car by yourself?

Anything by Journey (because I can't hit the notes - they are too damn high! But I pretend to.)

• THE BROADWAY MUSICAL •

Long before MP3 players and online video, television reigned supreme. *Hairspray* takes us back to the turbulent 60s in Baltimore and the life of teenager Tracy Turnblad. Her heart's only desire is to dance center stage on the "Corny Collins Show." Along the way she befriends heartthrob Link Larkin, making an enemy of teen queen Amber von Tussle. Tracy enlists the help of her friends to dethrone Amber and change television forever by integrating the dance floor and stopping social injustice in style!

"Dancing with the Stars" champion and 98 Degrees crooner **Drew Lachey** lends his smooth voice to the cast as Corny Collins. Taking her turn on Corny's dance floor as Tracy is **Katrina Rose Dideriksen** in her CLO debut. She joins the cast from the Las Vegas production of *Hairspray*, opposite Harvey Fierstein as her mother Edna. **Michael Kadin Craig** plays Tracy's unlikely ally Link. Mr. Craig was most recently seen in Off-Broadway's smash hit *Altar Boyz*.
